Welcome to 'Chewing the fat' - a series of chats between our GM, Jon, and some of our lovely regulars. Stay tuned each month as we talk about the best time of year at the Ram, what food to try from our menu, and just about everything and anything else - you know, the usual kind of chats you'd expect to have over the bar at your local.

This month, we chatted to Sally, a regular at the Ram for nearly 20 years, as well as Jason and Carmel...

## What does the Chelsea Ram mean to you?

*Jason - "Oh, hub of the community. It's just full of locals. The old, the young, everybody gets together. Everybody knows everybody else. It's it's great for them, and it's good for new people coming in as well, seeing that..."*

*Carmel - "The Chelsea Ram is like my second lounge room, so it's a sense of homeliness, community."*

## What's your favourite time of the year at the Ram?

*Sally - "Christmas! Absolutely. It's the biggest party season."*

*Jason - "Oh, I like summer. So everybody's standing outside and enjoying themselves in the warm, but also Christmas time. They're the two for me."*

## What song are you most likely to request on Secret DJ?

*Sally - "Oh, Sweet Caroline. It's my song."*

*Carmel - "Oh, that's a good one. Anything by Queen."*

*Jason - "Oh good heavens. I do have a few favorites.... Melancholy Hill by the Gorillas."*

## What's your 'go-to' drink?

*Carmel - "Half Peroni or the espresso martini, late at night."*

*Sally - "G&T, but I stick to Peroni most of the time."*

## Who did you get in the Ram UEFA EURO 2024™ sweepstake?

*Jason - Slovenia  
Carmel - Romania  
Sally - England!*
